Dear Ms. Hedgpeth:

This letter is in response to your Freedom of Information Act (FOIA) request for the application to assign the license of WFNX(FM), Lynn, Massachusetts, to Clear Channel Radio. Your request was received on May 24, 2012.

The FOIA is designed to provide access to agency records not routinely available to the public (*see* 47 C.F.R. §0.461). Copies of broadcast applications generally are available to the public through the Media Bureau's Consolidated Database System (CDBS). The application to assign the license of WFNX(FM) to AMFM Radio Licenses, LLC, whose ultimate parent company is Clear Channel Communications, Inc., is available in CDBS ([https://licensing.fcc.gov/cgi-bin/ws.exe/prod/cdbb/forms/prod/cdbbmenu.htm?context=25&appn=101498153&formid=314&fac\\_num=40824](https://licensing.fcc.gov/cgi-bin/ws.exe/prod/cdbb/forms/prod/cdbbmenu.htm?context=25&appn=101498153&formid=314&fac_num=40824)).

I hope that this information is helpful.

Sincerely,

A handwritten signature in black ink, reading "Michael S. Perko". The signature is written in a cursive style with a large, stylized "M" and "P".
